16 STATE HOUSE STATION  
AUGUSTA, MAINE 04333-0016

David Bernhardt  
COMMISSIONER

March 28, 2014

Subject: **Cold Storage Buildings**

State Project No: 020097.00, 020100.00 &  
020109.00

Locations: Edgecomb, Knox & Skowhegan  
**Amendment No. 2**

Dear Sir/Ms:

Make the following change to the Bid Document:

In the Bid Book (page 4), "BIDDING INSTRUCTIONS", under subsection "2." "For a paper bid:" **CHANGE** the following paragraph to read as follows;

**"For a paper bid: a) a copy of the Notice to Contractors, b) the completed Acknowledgement of Bid Amendments form, c) two copies of the completed and signed Contract Agreement, Offer & Award form FOR EACH CONTRACT BID, d) the completed Contractor Information Sheet, and e) any other certifications or Bid requirements listed in the Bid Documents as due by Bid opening."**

Make this change in pen and ink.

The following questions have been received:

**Question:** Do you want raised heels on the trusses for future insulation?

**Response:** No

**Question:** Would the DOT consider accepting bids for Non-Pre-engineered building designed by a local engineer and built on site?

**Response:** The answer is yes under the following conditions: 1. He needs to be a professional engineer, Maine also have knowledge and understanding of BOCA codes and Maine building codes. 2. Plans need to be stamped. 3. Submit references of buildings he has designed. 4. Must comply with all the requirements of the contract specifications.

**Question:** The instructions for bidders spells out that the schedule of items along with the other forms, I'm not seeing a schedule in the solicitation. Please advise.

PRINTED ON RECYCLED PAPER

**Response:** There is no Schedule of Items to complete. The prices are to be entered on each Contract Agreement, Offer & Award form.

**Question:** I would like to verify that Davis Bacon is not a requirement for this project. I didn't see any wage determination information in the solicitation document, please advise.

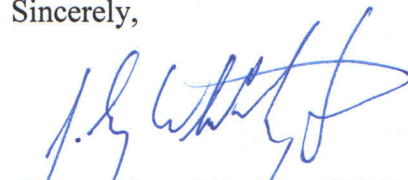

**Response:** Davis Bacon wages do not apply to this project.

**Question:** Is there any information available in terms of existing conditions i.e clearing, excavation, are we going to have to cut asphalt, test pits where the buildings are going to be located, etc?

**Response:** Special Provision 815, page 78 under base material states that the MDOT will have the gravel pad in place.

Consider this change and information prior to submitting your bid on April 2, 2014.

Sincerely,

 George M. A. Macdougall P.E.  
Contracts & Specifications Engineer
